

How to Access SuperSTAAR.org

To access SuperSTAAR.org the first time, enter your campus-specific “School Registration Code,” which can be obtained from your campus lead teacher or your Principal. Alternatively, you can click “contact us” and we can help recover the School Registration Code for your campus.

This school code is required only one time, when you initially register for the site. After registration, you can access the website using only your username and password!
